Loans by Farmers Home Administration to Indians, and to Permittees and Lessees on Indian trust or restricted lands.

WHEREAS, the Secretary of Agriculture and the Secretary of the Interior executed a Memorandum of Understanding on August 27, 1957, and July 26, 1957, respectively, the purpose of which was to outline the general procedures to be followed by the Farmers Home Administration (FmHA) and the Bureau of Indian Affairs (BIA) on loans by the FmHA to the Indians, and

WHEREAS, the working relationships between FmHA and BIA have now been well established and are understood by field personnel, it is mutually agreed that the detailed provisions of said memorandum are no longer necessary; and

WHEREAS, we deem it advisable that Indian applicants for FmHA financing should be treated in the same manner as non-Indians;

THEREFORE, it is agreed that said memorandum of understanding is hereby nullified and henceforth applications from Indians for loans will be handled by FmHA in the same manner as applications from non-Indians, except in those instances where Indian trust or restricted property is involved. When a lien is to be taken on trust or restricted property

in connection with a loan to be made or insured by FmHA, the BIA will assist FmHA to the fullest extent necessary in accordance with the statutory requirements affecting such property. This will include furnishing advice requested by FmHA as to conditions under which BIA will approve a lien on the property. It is further agreed that upon request by FmHA, BIA will furnish relevant information which it has with respect to the property and the individual loan applicant including that on his reputation for industry and payment of debts.
